

# Veriprop

## Ultra-moistening cleaner

### Features

Veriprop is a highly active routine cleaner with excellent reticulation properties. Even highly water-repellent floor coverings can be cleaned to a streak-free shine. Thanks to its exceptional dirt absorption capacity, Veriprop is ideal for routine cleaning.

### Ingredients (according to 648/2004/EC)

Anionic surfactants < 5%, nonionic surfactants < 5%, water-soluble solvents, dyes, fragrances (linalool, lillial, hexyl cinnamal, citronellol), preservatives (methyl-/methylchloroisothiazolinone).  
pH value (concentrate): approx. 9.5    pH value (ready-to-use solution): approx. 8.5

### Application

Suitable for use on all water-resistant surfaces, objects and floor coverings as well as on coated floors.  
Especially suitable for water-repellent, resilient floor coverings and porcelain tiles.

### Directions

1 dosing unit (dosing cap) = 40 ml

#### Routine cleaning

(wiping / mechanical wet cleaning / surface cleaning):

1 unit in 8 litres of cold water.  
Dilution with dosing system Dosifill 1:200.

With particularly water-repellent surfaces, the dose may have to be doubled.

**Routine  
cleaning**

### Coverage per square metre

Wiping / mechanical wet cleaning: 0.2 -0.35 ml  
Surface cleaning: 0.15 ml

**No consumer product according to 1999/44/EC Art. 1!  
For professional use only!**

### Packaging

Carton of 6 x 1 litre dosing bottles  
10 litre container  
200 litre barrel  
Dosing system Dosifill 1:200
